Dear Dr. Dishon:

We are enclosing a copy of the establishment inspection report (EIR) for the inspection conducted at your premises at 605 S. West Street, Arlington, Texas on December 16-17, 2002 by the Food and Drug Administration (FDA). This report is being provided to you for information purposes. This new procedure is applicable to EIRs for inspections completed on or after April 1, 1997. For those inspections completed prior to April 1, 1997, a copy of the EIR may still be made available through the Freedom of Information Act (FOIA).

The Agency is working to make its regulatory process and activities more transparent to the regulated industry. Releasing this EIR to you is part of this effort. The copy being provided to you comprises the narrative portion of the report; it reflects redactions made by the Agency in accordance with the FOIA and Title 21, Code Federal Regulations, Part 20. This, however, does not preclude you from requesting, and possibly obtaining any additional information under FOIA.

If there is any question about the released information, please feel free to contact Lynnette I. Riggio, Supervisory Investigator, at (214) 253-5260 or write to:
